FOR IMMEDIATE RELEASE

Bridge work scheduled on SR 36 (Antelope Blvd.) in Red Bluff

REDDING –The California Department of Transportation (Caltrans) will begin daytime work on the Sacramento River Bridge and the East Sand Slough Bridge on State Route 36 (Antelope Blvd.) in Red Bluff on Monday, November 14, 2011. Work will require lane and ramp closures on Interstate 5, between 9 a.m. and 6 p.m., Monday through Thursday. Detours will be available for the intermittent closure of the westbound ramp from Antelope Blvd. to northbound I-5. Motorists may experience slight delays.

This project is part of a \$1.3 million bridge maintenance project on six bridges throughout Tehama County. Bay Line Cutting and Coring of Oakland, CA will be placing a polyester overlay on both bridges.

For more information please visit the Caltrans District 2 website at www.caltrans2.info, follow CaltransD2 on Twitter or call the Caltrans District 2 Public Information Office at 530-225-3260.
